

An Adventure - Charlotte A. Moberly & Eleanor Jourdain

**An Adventure
Charlotte Anne Moberly & Eleanor Jourdain**

The Moberly–Jourdain incident was an event that occurred on 10 August 1901 in the gardens of the Petit Trianon, involving two female academics, Charlotte Anne Moberly and Eleanor Jourdain. The women were both from educated backgrounds. During a trip to Versailles, they visited the Petit Trianon, a small chateau in the grounds of the Palace of Versailles, where they allegedly experienced a time slip, and saw Marie Antoinette as well as other people of the same period. After researching the history of the palace, and comparing notes of their experience, they published their work in a book entitled *An Adventure*, under the names of Elizabeth Morison and Frances Lamont, in 1911. Their story caused a sensation, and was subject to much ridicule. (Summary from Wikipedia)
